CHORUS / BRIDGE (Play 4 times)

VERSE 1
I wanna follow where she goes
I think about her and she knows it
I want to let her take control
'Cause every time that she gets close, yeah
She pulls me in enough to keep me guessing
And maybe I should stop and start confessing

CHORUS
Oh, I've been shaking, I love it when you go crazy
You take all my inhibitions, baby, there's nothing holding me back
You take me places that tear up my reputation
Manipulate my decisions, baby, there's nothing holding me back

BRIDGE
'Cause if we lost our minds and we took it way too far
I know we'd be alright, I know we would be alright
If you were by my side and we stumbled in the dark
I know we'd be alright, I know we would be alright
